

PACKAGING TOOLKIT

This week we are celebrating our **Every Day Heroes**. As this week is more about showing appreciation to these Every Day Heroes, we have reused some of the carton bases from last week. This weeks lessons are all about packaging fun facts.

WHAT YOU WILL NEED:

Printer

Scissors

Paper

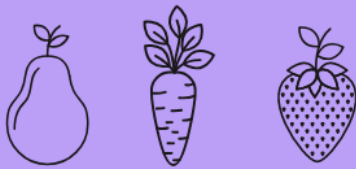

Glue

Colour Pencils

EVERY DAY HERO:

Farmer

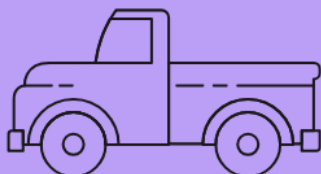

PACKAGING FUN FACT:

European forests have been growing the same size as 1,500 football pitches every day. Carton board comes from the trees that are grown there.

HOW TO MAKE:

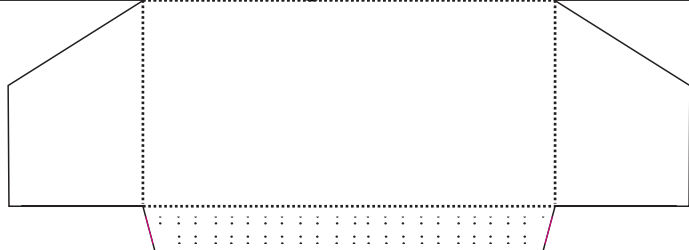

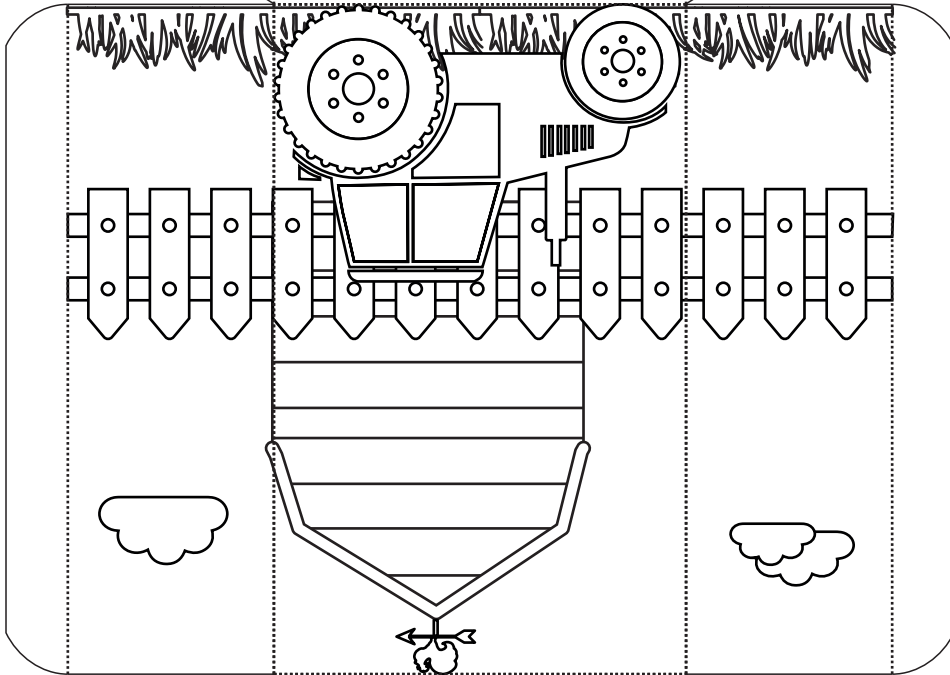

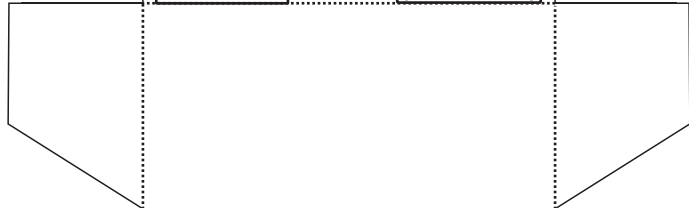

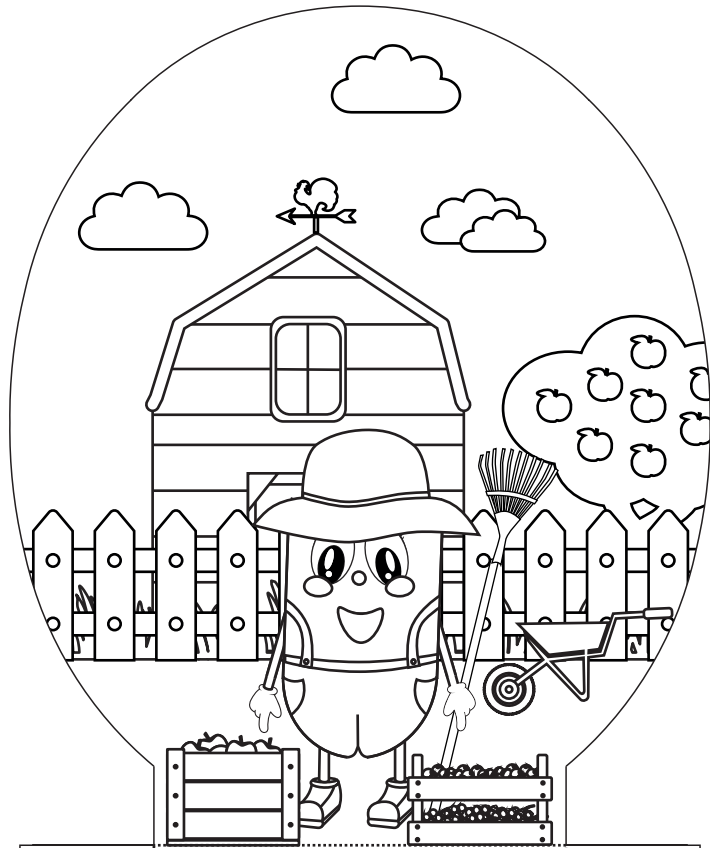

You can choose whether you want to colour in your own design or use the one that has already been coloured-in by our graphic designer!

1. Once you have folded all the flaps, make sure to glue the glue flap on the back of the farmer's picture.
2. Tuck in the side flaps and it will look like a matchbox with a farm scene on top.
