

# PACKAGING TOOLKIT

This week we are recreating the 'Guess Who?' game with job roles that can be found in a packaging company.

## WHAT YOU WILL NEED:

Printer

Scissors

Paper

Glue

Colour Pencils

Cereal Box

## MAKE YOUR OWN :

'Guess Who?' Game

## HOW TO MAKE:

1. Print out the PDF and cut out the templates.
2. Stick the templates onto a cereal box/ cardboard box and cut out the shapes.

To make the board:

1. Print the board template
2. Cut the line at bottom of the template - this is where you will insert your randomly chosen job role card.
3. Put glue on the glue icons and paste your job role characters onto these icons.

## HOW TO PLAY:

1. Each player gets a Guess Who board. Flip up all the characters.
2. Shuffle the character cards and place them face down on the table.
3. Pick a card each and stand it up in the card holder in the Guess Who board - card front facing you.
4. Ask your opponent a closed-ended question about their character - for example: "Does your character have glasses?".
5. Flip down any characters that the answer rules out.
6. Continue to alternate turns until somebody makes a character guess.
7. Guess the correct hidden character to win the game.
