

PACKAGING TOOLKIT

This week we are celebrating our **Every Day Heroes**. As this week is more about showing appreciation to these Every Day Heroes, we have reused some of the carton bases from last week. This weeks lessons are all about packaging fun facts.

WHAT YOU WILL NEED:

Printer

Scissors

Paper

Glue

Colour Pencils

EVERY DAY HERO:

NHS Worker

PACKAGING FUN FACT:

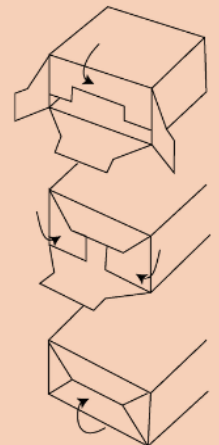

Every day all of us probably handle over 50 items of packaging!

HOW TO MAKE:

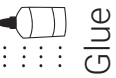

You can choose whether you want to colour in your own design or use the one that has already been coloured-in by our graphic designer!

Once you have folded all of the flaps, make sure to glue the glue flap and stick to the other side panel. Tuck in the top flap and do the following for base:

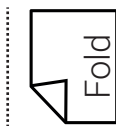

1. Fold over flap no.1
2. Fold over the two smaller flaps no.2 and no.3
3. Finally, fold over flap no.4 and 'click' in.
