

PACKAGING TOOLKIT

This week we are learning more about the Big Five. In Africa, the Big Five game animals are the lion, leopard, rhinoceros, elephant, and Cape buffalo. They live and hunt on the grassy plains known as 'savannas' which are found in tropical and sub-tropical regions of the world. The most famous African Savanna is the Serengeti National Park in Tanzania where you can find all the Big Five.

WHAT YOU WILL NEED:

Printer

Scissors

Paper

Glue

Colour Pencils

Cardboard

MAKE YOUR OWN :

Rhinoceros

DID YOU KNOW:

The rhinoceros can run up to 35 miles per hour when they are charging.

HOW TO MAKE:

You can choose whether you want to colour in your own design or use the one that has already been coloured-in by our graphic designer!

1. Print out the PDF and stick it onto a piece of cardboard back-to-back.
2. Cut out the templates.
3. Make sure that you cut the lines on the Rhino's body too.
4. Insert the ear into the top line on the Rhino's body. You can cut more of the line on the body if you want the head to sit lower on the body.
5. Insert the legs into the bottom lines on the Rhino's body - the taller legs go at the back.
